To whom it may concern,

This is to certify that Ms. Nitya, an undergraduate student in Department of Computer Science and Engineering, Presidency University, Bangalore, India, has successfully completed her research internship in the Department of Computer Science and Information Engineering, National Chung Cheng University, Chiayi, Taiwan, under Professor Pao-Ann Hsiung, during the period of 3 months from 17th August 2024 to 23rd November 2024.

During the internship Nitya worked on the project for creating a model for Typhoon detection using satellite images. She has successfully trained a model and tested it on real data. She has been hardworking in her internship.

You are most welcome to contact me if you have any further questions.

Sincerely yours,

Pao-Ann Hsiung
